On 6th December, in valedictory function, Dr. Himanshu Aeran, Director Principal Seema Dental College & Hospital, Rishikesh, took over as President, Indian Prosthodontic Society.

Dr. Himanshu Aeran said the promotion of Prosthodontics among the general public will be one of the most important agenda in next one year. It basically aims to increase awareness about the importance of proper oral health and prosthodontic solutions to missing teeth. Many adults who do not replace their missing teeth suffer poor self-esteem, premature aging, poor diet loss of function & social embarrassment. By using Dental Implants, Fixed Bridge work, Removable Partial and Complete Denture, a Prosthodontist's expertise can change a smile and a life of an individual. He further said Prosthodontics is just not a mere replacement of missing tooth or teeth but a Maxillofacial Prosthodontist has to play a vital role in rehabilitation of sufferer of Cancer, trauma by making various kinds of dental & non-dental prosthesis. A Prosthodontist may be a smile designer which not only works to enhance aesthetics but emphasizes on function too. He said further, that the other major objective to be focused in his tenure will not limit just in metro cities but to reach the Real India, the rural India by organizing various camps like denture camps, awareness camps throughout the country. Dr. Himanshu Aeran acknowledged the meeting with late Dr. A.P.J. Kalam in which topic was purely on research and Dr. Aeran emphasized that research is now need for an hour in the field of Prosthodontics. The other main agenda will be the Teacher Training Program & Curriculum Workshops. He said to always believe in...

*“The will to win, the desire to succeed, the urge to reach your full potential...
these are the keys that will unlock the door to personal excellence.”*
